The name film originates from the fact that photographic film also called film stock has historically been the medium for recording and displaying motion pictures. Many other terms exist for an individual motion-picture, including picture, picture show, moving picture, photoplay, and flick. The most common term in the United States is movie, while in Europe film is preferred. Common terms for the field in general include the big screen, the silver screen, the movies, and cinema the last of these is commonly used, as an overarching term, in scholarly texts and critical essays. In early years, the word sheet was sometimes used instead of screen. Film in general is not a good term to refer to a long standard commercial video production since it’s ambiguous in general and therefore requires context for correct interpretation.

The Chinese film industry had lost US billion by March 2020, having closed all its cinemas during the Lunar New Year period that sustains the industry across Asia.2 North America saw its lowest box office weekend since 1998 between March 13–15.3 Demon Slayer: Mugen Train, the highest-grossing film of 2020, earned 3 million worldwide.4 It was the first time since 2007 that the top-grossing film of a given year had earned less than billion and the first time a non-American film was the top-grossing film of the year.5

Chinese regulators, as well as the U.S. National Association of Theatre Owners, have highly discouraged film distributors from engaging in this practice, in defense of the cinema industry.145146 Trolls World Tour was released directly to video-on-demand rental upon its release on April 10,137 with limited theatrical screenings in the U.S. via drive-in cinemas.147 NBCUniversal CEO Jeff Shell told The Wall Street Journal on April 28 that the film had reached 0 million in revenue, and stated that the company had not ruled out performing releases in both formats as cinemas reopen.148149
